Subject: Project Completion Certificate - Word Builders Game

This is to certify that **Mr. Om Karkele**, a student of Vishwakarma Institute of Technology, Pune, has successfully designed and developed an educational web application titled "Word Builders" for the students of ZPPS Umbadga (Bk) during the period August-October 2025.

The application was developed to make English vocabulary learning more engaging and effective through interactive word puzzles, crossword challenges, vocabulary reinforcement, and gamified learning activities.

The project has been successfully implemented and shared with students, benefiting 100+ learners during A.Y. 2025 by helping improve vocabulary, spelling accuracy, word recognition, and problem-solving skills. The application has also been shared beyond the school community, allowing additional learners to benefit from the platform.

The developed application is accessible online at:

We appreciate the sincere efforts demonstrated by Mr. Om Karkele throughout the development of this project. Based on the positive response from students and teachers, ZPPS Umbadga (Bk) will continue to collaborate with him by providing suggestions, feedback, and future improvement requirements to further enhance the learning experience.

We congratulate him on this achievement and wish him continued success in his future academic and professional endeavors.
